# HADROSAURUS

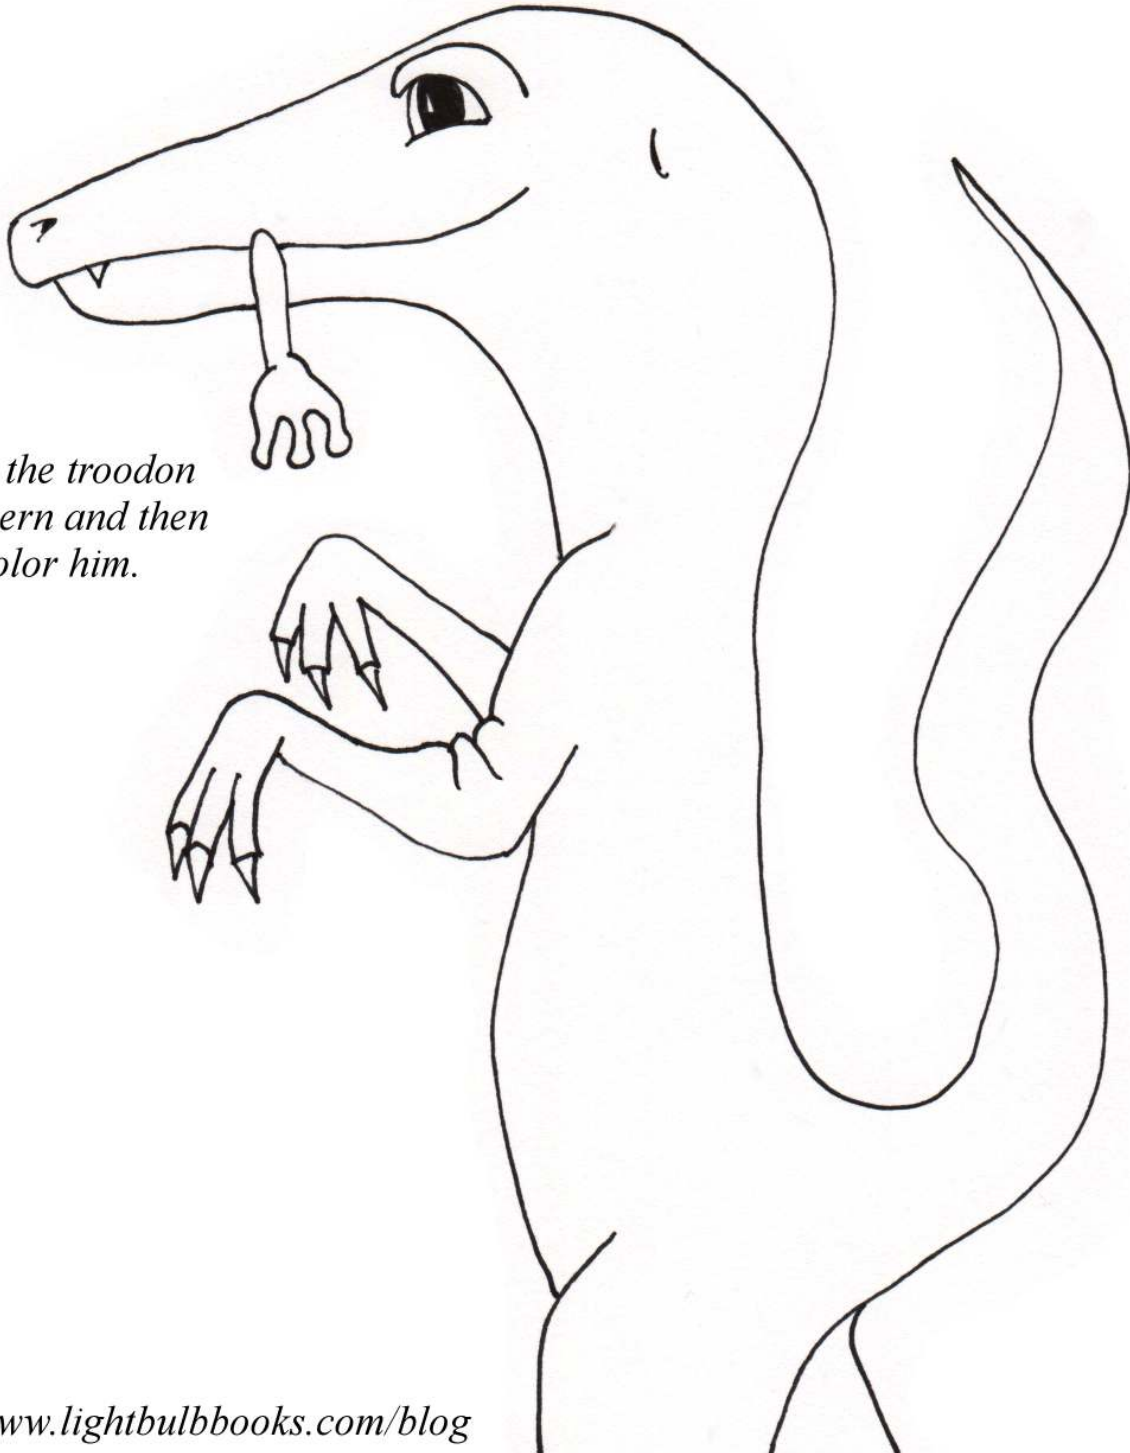

All **herbivores** like eating plants,  
but this one ate my cotton pants.

*Connect the dots and then  
color the hadrosaurus.*

# TROODON

Frog legs make a tasty treat for **carnivores**, who like green meat.

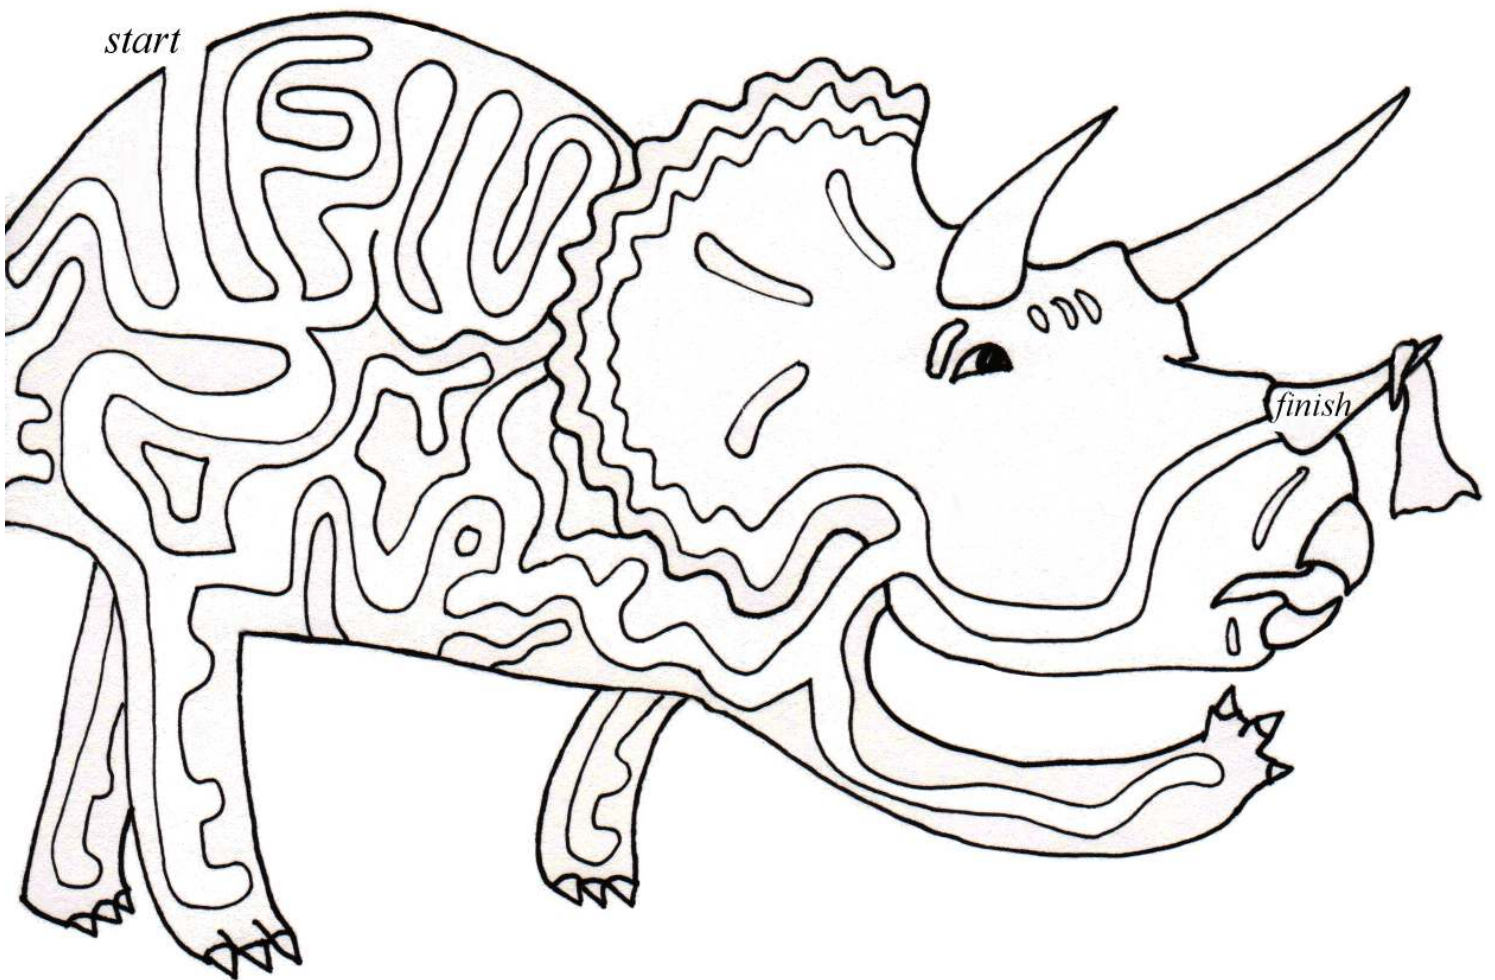

*Give the troodon  
a pattern and then  
color him.*

# TRICERATOPS

I wonder how Triceratops blows  
his giant, pointy, three-horned nose.

*Help the triceratops blow his nose  
by following the maze to the tissue.*

# TYRANNOSAURUS REX

His giant mouth serves as a sheath for rows and rows of sword-like teeth.

*Circle the six hidden objects in the teeth. Then color the T-rex.*
