

# SAME

is the name of the game.

## What you'll need

- 1 paper lunch bag
- 2 buttons (same size/shape)
- 2 feathers (same size)
- 2 chenille sticks
- 2 pom-poms (same size)
- crayons (optional)
- tape (optional)

### Step 1

Twist the chenille sticks into circles so that they fit into your bag. Then place the chenille circles, buttons, feathers, and pom-poms into your bag.

### Step 2

Reach into the bag (without looking) and pull out one object.

### Step 3

Reach into the bag again and feel for the object's match. If you pull out a mismatch, place it back into the bag and try again until you find the match.

### Step 4

Repeat steps 2 and 3 until you've found all the matches.

### Step 5

(optional activity) Once you've found all the matches, use the tape, crayons, bag, and matching pairs to form a funny face.
