What you'll need (Serves 6 buckaroos)

- 1/2 lb whole-wheat spaghetti (cooked and cooled)*
- 1 celery stalk sliced*
- 1 carrot sliced*
- 6 cheese wedges (1/2 inch)*
- 1 cup baby lettuce leaves*
- ranch dressing (optional)*

- Step 1** ▶ *Scoop half a cup of spaghetti onto your plate. Then push the spaghetti into a ball.*

- Step 2** ▶ *Place one piece of lettuce above the spaghetti for a hat and one piece underneath for a shirt. (We used red and green baby romaine lettuce but many types will work.)*

- Step 3** ▶ *Place a cheese wedge in the middle of the spaghetti for a nose. Then make carrot eyes and a celery smile.*

- Step 4** ▶ *(Optional) Drizzle one tsp of ranch dressing over your scarecrow and enjoy!*
